Respected

Sir/Madam.

I would like to inform in your good office that my son by name Mohammed Rayyan Hussain is studying in your school in class UKG-G. I would like to thank and appreciate the management and I am very happy that my son is a part of your school and Yasa is the best school for us. I appreciate the work of class teacher, Mrs. Sufiya who has helped my son in every aspects like reading, writing, finishing, oral reading, finishing his lunch at school, participating in every task. She is very hard worker and very kind and she is best ~~very~~ teacher. I hope and wish that in next grade also, My son will get teacher like Mrs. Sufiya.

Keep up the good work Sufiya.
