The Principal  
Yara International School,

Sub: Thanking Note To Teacher

We write this letter to thank & appreciate you for having such a sophisticated teacher in your esteemed school who turn around the table.

Our child joined late in school and missed out major portion of the syllabus because of which he was lacking behind.

We witnessed quick improvement and willingness towards his course.

We thank & appreciate Ms Fahima for all her patience, guidance, support and toiling towards his upward swing performance.
