Good Evening!

Respected Sir/Mam,

I am the parent of Ms. Angel Maria Tom, Student of UKG - A. She got first prize in both Picasso Colour Fest 2018 and Nesto Colouring Fest of 2019. She became the star in medias. Let me say a million of thanks to Yara school including her class teacher Ms. Rozi Khan. Some people deserve more than just a 'Thank You'. Just like Ms. Rozi, you deserve a special place in my heart. Thanks for everything. I really appreciate your efforts to help my little Angel. You are so great! As a parent, I would like to thank the whole Yara School Team and her class teacher for the endearing efforts of imparting education to all. Your valuable support, training and insight has helped our Angel much. Many Thanks.
