Circular No:056/YIS/AS/21-22/056

Dear parents,

SUB: INTRODUCTION OF IGCSE - “O LEVEL” CURRICULUM

Established in the year 2003 as a school which follows CBSE Curriculum, our mission was to build a sturdy foundation on which every child can stand firmly and navigate the path to excellence with confidence, courage and conviction. Over the years, Yara has scaled newer heights on all fronts, be it academics, sporting events or co-curricular activities. **In the year 2019, we introduced Cambridge Curriculum, which works through British Council-Riyadh & approved by MOE-Saudi Arabia.** Curriculum is designed in line with Cambridge Pathway for Development, for the multi cultural & lingual audience.

For further details, please visit our school website: <https://www.yaraschool.net/igcse>.

We were currently offering Cambridge Primary & Lower Secondary levels (i.e. KG to Y-8). However, **we would like to apprise you that we shall be commencing Cambridge IGCSE/O Level (Y-9) with effect from start of new academic year i.e. September 2021.** We have been receiving queries from parents regarding lateral transfer of their ward(s) from CBSE to Cambridge Section. In this regard, **parents who are desirous to transfer their ward(s) to IGCSE section may kindly contact Admissions & Students Records Officer at YIS Academic Admin Office (gate#4).**

In case of any queries, kindly contact Mrs.Megala-0592888865.

Regards,

Aasima Saleem
