

Dear parents,

Sub: 6th Edition of Pariksha Pe Charcha : CBSE

Kindly be informed that the 6th edition of Pariksha Pe Charcha, an interactive program of Hon'ble Prime Minister, Shri Narendra Modi with students, teachers and parents, will be held in a town-hall format at Talkatora Stadium, New Delhi in January 2023.

1. In order to select participants who will be featured in the PPC programme, an online creative writing competition is being conducted at <http://innovateindia.mygov.in/ppc-2023> on various topics (cited below) between 25th November, 2022 and 30th December 2022 for children studying in Grades IX to XII, teachers and parents.
2. Based on the written competition, students will be selected to frame their question to be addressed to Hon'ble Prime Minister. Selected questions, shortlisted by NCERT, may feature in the programme.

Interested students of Grades IX to XII/ and parents may kindly participate in the competition & inform respective class teachers. About 2050 winners will also receive a certificate signed by Director NCERT and a copy of the 'Exam Warrior' book written by Hon'ble Prime Minister.

Topics for Creative Writing Competition on MyGov.in

FOR STUDENTS (Grades IX to XII):

Topic 1: Know your freedom fighters

What life stories have you heard about freedom fighters of your state or region? What inspirations do you draw from their lives? How do you want to serve your nation?

Topic 2: Our culture is our pride

What is special about your state's culture? What elements of that culture make you feel proud of your country?

Topic 3: My Book My Inspiration

Which book has had the most influence on you, and why?

Topic 4: Save Environment for future generations

What are your thoughts on sustainable development? What challenges do you see for our future generations as a result of climate change? What steps must we take to safeguard our environment? As a student, how can you contribute to long-term development?

Topic 5: My life, my health

Why is staying healthy so important? What do you do to keep your health in check?

Topic 6: My startup dream

Entrepreneurship among students is essential for self-sufficiency and success in life while also contributing to the nation's economy and work culture. What are your hopes for your own startup?

Topic7: STEM education/ education without boundaries

NEP 2020 encourages students to be flexible in their subject selection. Students are free to study subjects of their choosing, to chart their own course, and to pursue a career of their choosing. There is life outside of Science and Mathematics. What are your thoughts on this? What are your concerns about this transformative recommendation? What are your recommendations?

Topic8 : Toys and Games for Learning in Schools

Toys and games can also be a source of learning. What are your thoughts on students learning through toys and games in secondary school?

FOR PARENTS :

Topic1: My child, my teacher

What is something unique or interesting your child has taught you? How did you learn it and adjust to it? Why is it important to adapt to our children's interests?

Topic2: Adult Education- Making everyone literate

What according to you is the importance of Adult Education? How can it result in a more empowered nation? How can children help adults understand contemporary issues?

Topic3: Learning and growing together

How will you complement your child's learning at home with what he or she is learning at school? Write a creative note about your role as a parent in your child's healthy learning process.
