

YARA INTERNATIONAL SCHOOL – RIYADH

Date: 30th June 2021

Circular No:054/YIS/AS/21-22/054

Dear students and parents,

SUB: FROM PRINCIPAL'S DESK

As Term-1 draws to a close, I would like to express admiration in how brilliantly each one of you have coped up with Online Classes. The dedication of our students, parents & staff have made this term truly awe-inspiring. Attendance has been high and students have seamlessly adapted to our new normal.

With the fast-approaching term examinations, students (especially those who are taking written exam) may kindly follow systematic study habits based on a well-prepared time table. It goes without saying, "**The harder you work for something, the greater you'll feel when you achieve it**".

Please be rest assured that we are continually reviewing our practices to provide the best education we can during these challenging times.

Let's pray that our school resumes its normal operations soon, so that children enjoy schooling.

Kindly note that our admin staff at gate number 6 will be available to help you on all days (other than Eid ul Adha holidays).
