

To
The Principal
Yara International School

March 26, 2020

Respected Madam
Greetings!!

Yet another year and a milestone achieved by our daughter Kheya Hasini (File#177953) and completed Kindergarten and promoted to 1st Standard in the coming academic year.

This is all possible only through your expertise guidance and kindness expressed to the students, in the position of Principal of Yara International School. We sincerely thank you and your teachers & staff of Yara school, for their continuous support and also request your non stop guidance for our daughter to excel in her academics.

While on this, we specifically and specially appreciate Mrs.Leela Madam and Mrs.Nayeema Teacher, for their coordinated teaching methodology in a well professional manner. Our daughter is gifted to have such teaching faculty, which only helped her to gain academic skills and personal behavior as well.

"Let us pray for early relief from C19 virus, be safe with social distancing and stay home"

Thanks & Regards,

Haran Markandan Pranatharthi
