Respected Teacher,

We, parent of S. M. Mustafa studying in your class UKG K, firstly we are very appreciated and respectful about your support towards our Son, would like to take this opportunity and express our warm and sincere thanks for the care and guidance given to our Son.

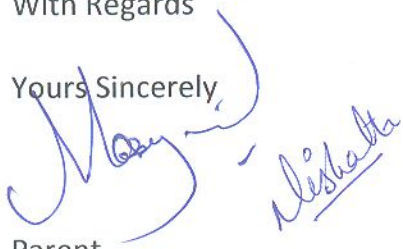

Every morning he enthusiastically gets ready for the school as he is really enjoying the class room teachings and other activity (especially sports). I would like to praise your efforts shaping such a behavior in student, keep it up! the same momentum and enthusiasm throughout the years.

It is all because of your efforts that I can see at home certain appreciable changes in my child behavior he has learnt many new thing because of you, i.e. organizing thing, healthy food habits etc. which as a parent we are very delighted to see such growth.

With Regards

Yours Sincerely

Parent
