Subject: **Thank you!**

Dear Hashmi Sir,

We would like to express our sincere gratitude for our child's academic development in Grade 4th-I.

We still remember a reshuffling of the teachers soon after the session begins for 2019-2020, you have taken over the Class 4th-I as a Class Teacher and our expectations were very high, which at the end you have accomplished with ease. Now, we always expect a Class Teacher like you.

The time you spent for us, to update each and every upcoming learning activities for our child were very much appreciated. The way you have guided our child goes above and beyond the job responsibility. It takes a lot of hard work and sacrifice from a teacher to do so. Our respect and admiration for you cannot be expressed in words.

We thank you for the role you have played in shaping our child and to be ready for the Grade V with confidence & enthusiasm.

We wish you all the best and pray for your success.

Best regards,

Jayesh Kumar
