Respected maam,

This is to bring to your notice that my son Arish Hasan studying in LKG D in Yara Int School started to attend the online classes from today.

I as a parent really appreciate this gesture of your school. I would really love to mention the way Fahima teacher with her team took the class today; it was really commendable. As it was the very first class and totally a new concept for everyone the teachers did their job very nicely.

Once again i really thank u and your team for all the efforts which are being put into to make our kids bloom.

Thanking you.

Yours sincerely,

Dr.Azra Rizvi
