Subject: Letter of appreciation

Dear Principal mam,

When heard of virtual classes to 3rd grade, we parents were like ignorant thinking that it will be only a play game, but to our astonishment and equally satisfaction the classes went on so smoothly with good and detailed explanation in all subjects, thanks for the qualified and extremely good staff along with the moderators. Involving students by asking them questions made them active in the classes. On the whole thankful to the management for reaching the classes to our children in this pandemic. My sincere thanks to my son's class teacher Mrs Sreedha Rakesh, very calm and excellent mentor.

Thanking you,

Rahath Fathima, mother of Nabeel Ahmed Nazeer.
