Y.I.S. Making her Mark with Eloquence

Lebana Bennet Jose, a student of Yara International School, studying in Grade XI has made us all proud by actively participating and achieving 10th consolation prize in the International Online Tamil Enrichment Competition conducted by Velammal Matriculation Higher Secondary School Chennai. It was held in remembrance of Vallal Pandidurai, one of the great patrons of Tamil language.

Her achievement is commendable as there were 21,624 entries from 64 countries around the world. She delivered a speech on the topic "Change is the only constant". The speeches were evaluated online by renowned personalities and subject experts. Lebana indeed made a mark for herself with her vivacious and confident speech. Her oratory skills enhanced by her diction and style of articulation is worth mentioning.

YIS has always motivated and groomed its students with a competitive spirit that stands them in good stead even in an international arena. Lebana Bennet Jose's triumph is a testimony to the collaborative efforts of the teachers and students.
