

Date: 15th October 2023

Circular No : 059/YIS/AS/23-24/059

Dear parents,

SUB : MATHEMATICS OLYMPIAD : GRADE VI to XII

We are delighted to inform you about an exciting opportunity for your child to showcase their mathematical prowess and problem-solving skills. Yara school is going to conduct a Mathematics Olympiad, and we encourage your child to participate.

The Mathematics Olympiad is a prestigious and challenging competition that aims to promote mathematical excellence and stimulate a love for mathematics. It provides a platform for students to not only test their mathematical skills but also to gain valuable experience in problem-solving and critical thinking.

Participation in such competitions can significantly enhance a student's confidence, analytical skills, and academic achievements.

Here are the key details for the Mathematics Olympiad:

Date: 26-10-2023

Duration: 1 Hour

Maximum marks: 40

Questions type: MCQ

The competition is open to students from grade 6-12 category wise,

Category 1: Grades 6-8.

Category 2: Grades 9 and 10

Category 3: Grades 11 and 12

We strongly encourage all students to participate. Students will be assessed on a range of mathematical topics, including algebra, geometry, number theory, and combinatorics.

We kindly request your support and encouragement in preparing your child for this competition. You can help by:

Reviewing mathematical concepts covered in their grade or class.
