Subject: Request to promote Dimple teacher to grade 2

Dear Ma'am,

I hope this message finds you well. I am writing to kindly request that Dimple teacher be considered for teaching Grade 2 in the upcoming academic year.

Dimple teacher's teaching methods are effective, and she has the ability to simplify complex hindi matras. My child who is currently in grade 1-L has shown remarkable improvement under her guidance.

I believe her promotion to Grade 2 would further strengthen my child's learning experience in Hindi.

Looking forward to your support.

Warm regards,
Mother
