Respected Madam

Ramadan Greetings!

We wish to inform you that online classes are progressing good with all subjects for Class 1C and my daughter Kheya Hasini (File#177953), is one among them.

Kheya is fascinated much with the Hindi class, and the classes conducted by Tahera Teacher.

Tahera Teacher's instructions in the class and guidance to drive the students in online Hindi class is far beyond appreciation,

Kheya is a non Hindi speaking girl, who picks up Hindi language dramatically, through Tahera Teacher's class.

Time and again , thanks a lot for having made such arrangements.

Warm regards

Kamakshi Haran

Parent of Kheya Hasini
