Dear Ma'am,

Congratulations to you and entire team behind the great success of homeschooling

We would like to show our heartfelt gratitude and appreciation to **Mrs.Tayyaba Khan** For being a great teacher to our child by providing timely guidance and assistance along with this sincere efforts of all other teachers & **Supervisor Mrs.Shehanaas** have kept the virtual classes smooth going.

We hear all about the dynamic way she deliver the lessons and encourage the participation and are pleased that our son is learning so much but most importantly the moral values she impart at the end of their class has to be highly appreciated. These pieces of advices will definitely help in the moulding of the child. Her patience & understanding, good class control have impressed us a lot.

We would like to convey our hearty appreciation & Thanks to the kindergarten **Supervisor Mrs. Leela Balakumar** & teachers especially **Mrs.Zahoor Unnisa Khannam (LKG-E)** **Mrs. Nayeema (UKG-D)**.
