Assalamualaikum wr wb ma am

My daughter Ayesha Fathima Abdul Gaffoor is in class 3 C .. She really likes the online classes.

The classes are great Alhamdulillah,... I would like to Thank you all so much; the efforts of the teachers, supervisor ,principal ... I can understand the hard work one has to put in, to make the children feel like school from the comfort of home... I look forward in Co operating with the teachers and let's make this a great success...

Thanking you

Yours sincerely
