### Interpretation of the Cover page Theme: GET READY FOR A GREEN FUTURE

A new academic year is a journey towards future and a decisive step in the direction of betterment and growth. Hence, it is the most appropriate time to sow the seeds of change. As global citizens, we are well aware of the importance of sustainable and healthy living in reviving the better days. Our future is bright only if we strive for individual growth, societal progress and an invigoratingly green earth. As an educator, I feel it is high time we shift our focus to a greener tomorrow where knowledge blooms, technology nurtures and every child is a champion of change.
