AN INSTITUTION ACCREDITED BY THE QUALITY COUNCIL OF INDIA - NABET

Date: 6th October 2025

Circular No: 066/YIS/2025-26/066

Dear parents,

SUB: MATH OLYMPIAD 2025-26

We are pleased to announce a valuable opportunity for your child to display their mathematical prowess and problem-solving skills. Yara International School will be organizing the **Mathematics Olympiad (Intra-School Competition)** for the academic year **2025-26**.

The competition is open for:

- All students of Grades 6–10
- Mathematics stream students of Grades 11 and 12

The Mathematics Olympiad is a prestigious and challenging competition designed to promote mathematical excellence and inspire a love for mathematics. Participation in such competitions can significantly enhance a student's confidence, analytical skills, and academic achievements.

Here are the key details for the Mathematics Olympiad:

1. **Level 1: Preliminary Competition**

- **Date: 15-10-2025**

2. **Level 2: Final competition**

- **Date: 30-10-2025**
- **Eligibility:** Top 10 students from each grade based on preliminary performance
- **Duration:** 1 hour
- **Maximum Marks:** 40

3. **Fee:** Free of Cost

4. **Questions type :** Multiple Choice Questions (Students should bring a pencil to mark answers on the OMR sheet)

Students will be assessed on a range of mathematical topics, including **Quantitative aptitude, Logical reasoning, Everyday Mathematics/Applied mathematics and HOTS questions based on the current curriculum of the respective classes.**

We kindly request your support and encouragement in preparing your child for this competition. You can help by

- Reviewing mathematical concepts covered in their grade or class.
- Accessing additional practice materials. For the materials click the link given below.

We strongly encourage all eligible students to participate and make the most of this opportunity. Your support and encouragement in helping your child prepare will be invaluable.

Thank you for your continued partnership in nurturing a love for mathematics and promoting academic excellence among our students. We look forward to your wholehearted cooperation.

For any further queries, students may reach out to their respective Mathematics teacher.

Good Luck & Regards,

Aasima Saleem
