Date: 16th December 2025

Circular No: 121/YIS/2025-26/121

Dear Parents,

SUB: Important : Guidelines to Grade X students for Board Examinations

This is to inform all Class X students that as per the guidelines issued by **CBSE** for the Board Examinations, the **question paper pattern and answer-writing instructions** for **Science and Social Science** have been revised with a view to improve the quality of evaluation. Students are advised to read and strictly follow the instructions given below:

Science

- The Science question paper is divided into **three sections**:
 - **Section A – Biology**
 - **Section B – Chemistry**
 - **Section C – Physics**
- Students must **divide their answer book into three separate sections** for Science and write answers only in the relevant section.

Social Science

- The Social Science question paper is divided into **four sections**:
 - **Section A – History**
 - **Section B – Geography**
 - **Section C – Political Science**
 - **Section D – Economics**
- Students must **divide their answer book into four separate sections** for Social Science and write answers accordingly.

Important Answer Writing Instructions

1. Answers must be written **only in the space provided for the concerned section**.
2. **Do not mix answers of different sections** under any circumstances.
3. **If answers are written in the wrong section or mixed, they will not be evaluated and no marks will be awarded.**
4. Such mistakes **will not be considered for correction** even during verification or re-evaluation after declaration of results.

In this regard, students are advised to refer to the **CBSE sample question papers** issued for both Science and Social Science during Revision Test Series for better understanding and practice.

Students are advised to practice this format well in advance, including during Pre-Board Examinations, to avoid errors in the Board Examination.
