Dear parents,

SUB: TWO LEVELS OF MATHEMATICS FOR CBSE BOARD EXAMINATION 2025-26

This is to inform you that **CBSE had introduced two levels of examination in Mathematics** for the students of **Grade X** w.e.f academic year 2019-20. The two levels are as follows:

1. **Mathematics – Standard (for the existing level of examination)**
2. **Mathematics – Basic (for the easier level of examination)**

The syllabus, class room teaching and internal assessment for both the levels of examinations would remain the same, so that the students get an opportunity to study the whole range of topics throughout the year and are able to decide upon the level of Board examination depending upon their aptitude and abilities.

The **Standard** level will be meant for students who wish to opt for Mathematics at Senior Secondary level and the **Basic** level would be for students not keen to pursue Mathematics at higher levels.

In case a student fails at any level of Mathematics in grade X, he/she can appear for the Compartment Examination as per norms of the Board according to the options given below:

In case of failure in	Compartment Options
Mathematics-Basic	Mathematics-Basic
Mathematics-Standard	Mathematics-Standard or Mathematics-Basic

A student, who qualifies the Mathematics-Basic, shall be given an option to appear in Mathematics-Standard at the time of Compartment Exam as per norms of the Board, in case he/she changes mind to pursue Mathematics at Senior Secondary level.

Note: Those students who opt for Mathematics-Basic will not be eligible for admission into Math stream in Senior Secondary level.

Parents are hereby requested to provide their consent by filling in the Google Form given below latest by 01.09.2024 (Monday), without fail.
